LEASE FOR NIVISON STADIUM, ONCHAN PARK

At the Board meeting of Onchan District Commissioners held on 8th January 2007 it was resolved that a seven (7) year lease for the operation of Nivison Stadium would be granted to Onchan Raceway.

Chairman of the Commissioners, Mr Derek Crellin, J.P., said:-

“the Board have given long and detailed consideration to the merits of both the business plans submitted to the Authority. The decision was extremely difficult but we believe that the best interests of the Onchan rate-payer and the wider community will be served by the plans of Onchan Raceway.”
