£

Guidance Notes – Depositing of Plans for Regularisation Certificate

1. Two copies of this form should be completed and submitted with plans and in particular in accordance with the provisions of Regulation 26 of the Building Regulations 2014.
2. This form shall be accompanied by the following in accordance with Regulation 12 of the Building Regulations 2014 (as amended):-

Site Location Plan	A current up to date plan in order to identify the property (these can be purchased from the Planning & Building Control Directorate), indicating the site of the proposed works in red with a blue outline showing the extent of any additional land ownership.
Block Plan	Showing the boundaries of the curtilage of the building or the building as extended, and its relationship to adjoining boundaries (including written dimensions from each side of the building to its relevant boundary), and the size, position and use of every other building or proposed building within that curtilage.
Drainage	Particulars of the provision to be made for drainage of the building or extension, and particulars, if Section 12 of the Act applies, of the precautions to be taken in building over a sewer.
Floor Plans & Detail Plans	So far as reasonably practicable, a plan of the authorised work. So far as reasonably practicable, a plan showing any additional work required to be carried out to secure that unauthorised work complies with the requirements relating to building work in the building regulations which were applicable to that work when it was carried out (“the relevant requirements”); and
Engineering Details	Where applicable engineering calculation and plans must form part of the application at time of submission of the application.

Further information and advice concerning the Building Regulations can be obtained from The Building Control Section, Onchan District Commissioners, 79 Main Road, Onchan, Isle of Man, IM3 1RD. Telephone 01624 675564 (option 1) or email surveyors@onchan.org.im
