

ONCHAN DISTRICT COMMISSIONERS
RESPONSE TO FREEDOM OF INFORMATION REQUEST

Date response returned:	16 th August 2019
Date received:	23 rd July 2019
Subject:	CCTV – Groudle Road

Request for Information:

“Signage has appeared towards the end of Groudle Road heading to King Edward Road regarding CCTV being in operation. I am able to see two signs which confirms who operates the camera’s however I am unable to locate any cameras. Covert Cameras should not be used under the Regulation of Surveillance Act 2006.

Please can you confirm how many camera’s there are in this area and the location of the camera’s?”

Response issued

In answer to the above there is one camera located on the right hand side of the road just before you enter the layby. The CCTV signage was located alongside the “No Fly Tipping” signage directly in front of the tree, where the fly tipping is most pronounced.

The camera was situated in this location after several reports of fly tipping in the area, the Local Authority under the auspices of the Public Health Act 1990, Section 57(3), is attempting to obtain evidence to prevent this illegal act.

There are two CCTV signs in close proximity, and it is not the intention of the Authority to be recording covertly.
